JUDGMENT

Radhakrishnan, J

Appellant has preferred this appeal against the judgment in W.C.C.No.168/01 dated 31.12.2005 for the enhancement of the compensation amount awarded by the Commissioner for Workmen's Compensation. Petitioner/appellant who was working as a loading worker met with an accident on 26.2.01. He claimed a total compensation of Rs.2,00,000/- with 12% interest from the date of accident. After deducting Rs.15,000/-, the hospital expenses paid by the first opposite party, the Commissioner held that the appellant is entitled for a sum of Rs.5,250/-. Learned counsel for the appellant submits that the findings of the Commissioner are not justifiable and the compensation awarded is also very low. Considering the entire facts and circumstances of the case, we find no reason to interfere with the award passed by the Commissioner. Therefore, the appeal is dismissed.
